The Kansai Companies Profile

Promising companies interested in international markets

About this profile

The Kansai Companies Profile provides detailed information about promising companies in the Kansai region on our website, highlighting their strengths, areas of expertise, initiatives related to social contributions and benefits for companies located around the world.

Why choose Kansai?

The Osaka-Kansai Expo 2025 will provide companies visiting Kansai from all over the world with a unique opportunity to discover excellent Kansai companies that may not have been globally recognized before. We confidently recommend all the companies with leading technologies and ideas in this profile.

Attractive Companies

It features a carefully selected group of attractive Kansai companies that are actively pursuing international expansion. They have the potential to create significant value and mutual benefits through global partnerships.

Advanced Search

By utilizing the advanced search system on the website, you can filter companies based on category, company name, industry, location and keyword, allowing you to find the most suitable companies for your business needs.

Collaboration with Supporters

With various support organizations, we provide valuable assistance for those holding business events, visiting companies and industrial facilities, or gathering business information in Kansai.
