

Introduction

- With a long history as the heart of Japan, Kansai (Fukui, Shiga, Kyoto, Osaka, Hyogo, Nara, and Wakayama prefectures) is home to many traditional and historic cultural resources.
- This publication showcases various aspects of Kansai's business environments.
- We hope that you will use this brochure as a supporting tool to invest in the region.

Feature1 Large market

Kansai has an economy that can rival many national economies around the world, with a wide array of industries based here.

Feature2 Growth Environment

With a high concentration of world-class manufacturing companies, universities, research institutions, traditional high-skilled craftworks and craftsmanship in various fields, Kansai boasts a climate favorable for innovation.

Feature3 Asian Hub

Asian countries account for a high percentage of Kansai's foreign trade and foreign-affiliated companies operating in the region.

Feature4 Rich Culture

As the birthplace of many traditional Japanese performing arts and cultural histories, Kansai is home to a large number of World Heritage sites, and attracts worldwide attention as a tourist destination.
